Not the Vicars letter.....

This time of year is always a particularly busy one in the Parish Office as we prepare for a myriad of special services including Harvest, All Souls, Remembrance, and of course Advent and Christmas. We truly hope that you will find there is something for everyone!

On 11th October at 10:30am we will be coming together to celebrate Harvest at a special Family Communion Service that Edgar and Chris have put together. This will be followed by a bring and share lunch so please do stay on for this as we enjoy fellowship together. We will also come together at 10:30am for our Remembrance Service on Sunday 8th November, and for a special Family Carol Service with Communion on Sunday 13th December. The hope and prayer is that everyone will find these combined services both a blessing and an enriching opportunity to worship together.

Looking ahead to 2027, we are delighted to let you know that Bishop Rhiannon will be joining us on Easter Sunday and there will be the opportunity to be Confirmed during this service if anyone would like to take this step. Please let me know if you would be interested in this.

Finally, I would like to express my huge thanks to everyone who gives of their time to serve the work of the church. So many of you are involved in a multitude of ways and we are only able to do what we do because of your generosity and sacrifice. As I was selecting the verse for the front of the October diary, I was drawn to Galatians 6:9 – ‘And let us not grow weary of doing good, for in due season we will reap, if we do not give up.’ Thank you, from the bottom of my heart, for the ways in which you volunteer, for your ongoing prayers, and for your generosity.

Yours in Christ,

Hannah

GIVING

Giving is part of our worship of God, and a way of showing commitment to His ministry in the Parish. If you would like to contribute to the work of our Parish, please use the QR code on this page to find out how, or visit parishgiving.org.uk to set up regular giving.

In Church, we also have a card machine which is easy to use and saves us handling cash. Please contact the Parish Office for further information or if you require help with them.

Some of our services are live-streamed to Zoom; If you would like to join us online, please contact the Parish Office, and we will send you the link!

PRAYER & DISCIPLESHIP

Did you know that we have numerous options for prayer here at St Johns?

Lectio 365

We have a monthly prayer diary that you can subscribe to by emailing the office on office@stjohnshythe.org. But you can also receive prayer on Sundays. Just ask one of the service leaders, or someone you trust if they wouldn't mind praying for you, and I'm sure they'd be delighted!

Many of us follow our own routine for daily prayer, and over the next few editions, I'd like to highlight some of the resources that are out there to aid you in your prayer life and walk with God.

The origins

Created to help you develop a deeper, daily connection with God.

Inspired by the ancient practice of Lectio Divina, daily devotionals guide users to pray the Bible through Scripture, reflection, and prayer each morning, midday and evening.

Since launching in 2019, Lectio 365 has helped thousands of people make prayer a regular, life-giving habit – wherever they are and whatever their day holds.

MOTHERS UNION REPORT

Our speaker at our September meeting was David Bevis, who introduced us to the 'Mission Aviation Fellowship', which has 135 light aircraft which fly to around 26 developing countries, bringing help and healing to the most remote communities. The Fellowship assist 1,500 partners worldwide including local churches and charities such as Oxfam, Christian Aid and Tearfund. A most absorbing and interesting story.

We next meet on Thursday October 8th at 2:30pm at St John's Hall. Due to ill health, Jane is unable to update us on our Malawi link. Please come and enjoy each others' company. Any suggestions as to a theme for the afternoon will be most welcome. All are welcome. The sales table will be orange.

Sue Harvey

Jane Smith

Mothers'UNION

CHRISTMAS ANGELS.....

Dear friends, we're coming close to that time of year when we begin to turn our thoughts to Christmas angels. Again, I thank you for all the hard work you did in 2025 when we gave out 1700 angels. We couldn't do this without all your help, if you are new to the idea, I can send you patterns, knitting or crochet, by email, or deliver them to you, so you can join the growing gang of crafters. With many thanks for your continued enthusiasm, The angel lady (Sue Blomley) sue.blomley@gmail.com.

Our Church's Future with the Parish Giving Scheme

Our church relies entirely on the generosity of our community to care for our building, support our clergy, and continue our worship, mission, and outreach. To make giving simpler, more secure, and more efficient, St. John's offers the Church of England's Parish Giving Scheme (PGS).

The Parish Giving Scheme is a free, secure, and easy-to-use Direct Debit service designed specifically for local churches. It helps provide our parish with a reliable and predictable income, enabling us to plan confidently for the future.

Why use the Parish Giving Scheme?

You're in Control

You decide how often you would like to give — monthly, quarterly, or annually.

Automatic Gift Aid

If you are a UK taxpayer, the scheme automatically claims the additional 25% Gift Aid on your donation and passes it directly to our parish.

No Hidden Fees

Unlike some online giving platforms, the PGS is completely free to use, meaning 100% of your donation — and any Gift Aid reclaimed — comes directly to our church.

Helping Your Gift Keep Its Value

The scheme also offers the option to increase your gift annually in line with inflation (CPI). By opting in, your generosity can continue to have the same impact year after year without requiring manual changes.

How to Sign Up

Joining the Parish Giving Scheme only takes a few minutes. You can set up your regular gift in any of the following ways:

- **Online** - Visit the secure www.parishgivingscheme.org.uk website to register.
- **By Phone** - Call the dedicated PGS team on **0333 002 1271** (Monday to Friday, 9:00 am–5:00 pm). Quoting code 416011181
- **By Post** - Ask Sue, our Parish Treasurer or Hannah for a paper gift form.

Please note: Whichever method you choose, you will need our parish's unique PGS code: 416011181

Thank you for your continued support, prayers, and generosity. Together, we can ensure that our church continues to serve our community and thrive for generations to come.

Martin Deadman

DIOCESE of
WINCHESTER

THOUGHT FOR THE WEEK

During the Season for Creation, Bishop Rhiannon writes...

Every autumn, from the first of September to the fourth of October, the global church has learnt to pause as we enter a special season called 'Creationtide'. It is a time dedicated to looking more closely at the natural world around us and celebrating it as a gift from God.

To help us get into the spirit of this season, we can borrow a beautiful practice from the world of 'Godly Play'. (Something worth looking up if you haven't already come across it.) In Godly Play, we do not just learn facts about faith; we ask "I wonder" questions and use our God-given imagination. This Creationtide, can I invite you to bring that same posture of quiet curiosity out into the great 'cathedral of nature'.

I wonder which part of God's earth most point you towards Him?
I wonder what sort of parable Jesus might tell about creation if he
lived on the earth today?

I wonder what the trees in the Amazon rainforest might say if they
could speak to us?

Creationtide calls us to fall in love with the earth again. Because when we truly wonder at something, we learn to love it and what we love, we will protect.

Happy wondering/wandering!

Free Bibles from Good News for Everyone!

Bishop Rhiannon recently met with a local representative of *Good News for Everyone!*, who seek to place God's Word wherever they can. They have produced a new edition of the Testaments depicting a lighthouse, reminding us that Jesus is the Light of the World, and would love for churches to display these as free copies. To keep churches fully stocked, they ask for volunteers to become 'Church Friends' of *Good News for Everyone!*, with a pilot in the Southampton area. The first 25 churches or benefices who sign up will receive a box of free New Testaments and liaise with the Southampton Branch of *Good News for Everyone!*

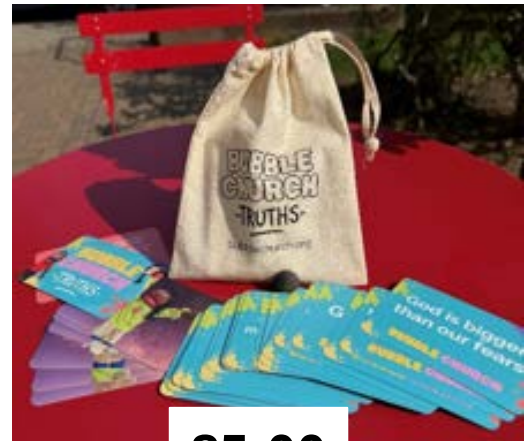

Please email southampton@goodnewsuk.com for more information and to sign up.

Would you be able to sponsor a new family in St John's & St Anne's to help them continue their faith journey?

£30.00

£5.00

We are thrilled to have baptised children from 3 Bubble Church families and have more children and adults coming forward for Baptism & Confirmation who are part of our fellowship here.

Good News Family Bible - We have presented these to those families and will be offering them a chance to join together and explore them as a family.

A massive thankyou to those of you who have sponsored Bibles or part of a Bible for a family.

Bubble Church Truth Cards - a new resource to equip parents and children to keep growing in their faith at home, especially where they might be beginning a journey of faith together.

If you are interested in sponsoring a family with either of these gifts please talk to Chris McMahon, Children's & Families Pastor, who can explain more how it works.

God of Mission,
Who alone brings growth to your Church,
Send your Holy Spirit to give
Vision to our planning,
Wisdom to our actions,
And power to our witness.
Help our church to grow in numbers,
In spiritual commitment to you,
And in service to our local community,
Through Jesus Christ our Lord.
Amen.

NOTICES

Harvest

This year we will be celebrating Harvest on Sunday 11th October. That Sunday we will have a special Harvest Bubble Church at 9:30am, followed by a Combined Service with Holy Communion at 10:30am. We will then enjoy a bring and share lunch together in the church. That afternoon, at 5:30pm, it will be our final Evensong Service for 2026.

Organ Recital

Please note that we have an organ recital - Baroque Music for Organ - in St John's Church at 3:00pm on Saturday 10th October. Please do invite your friends and neighbours and come along to support this event.

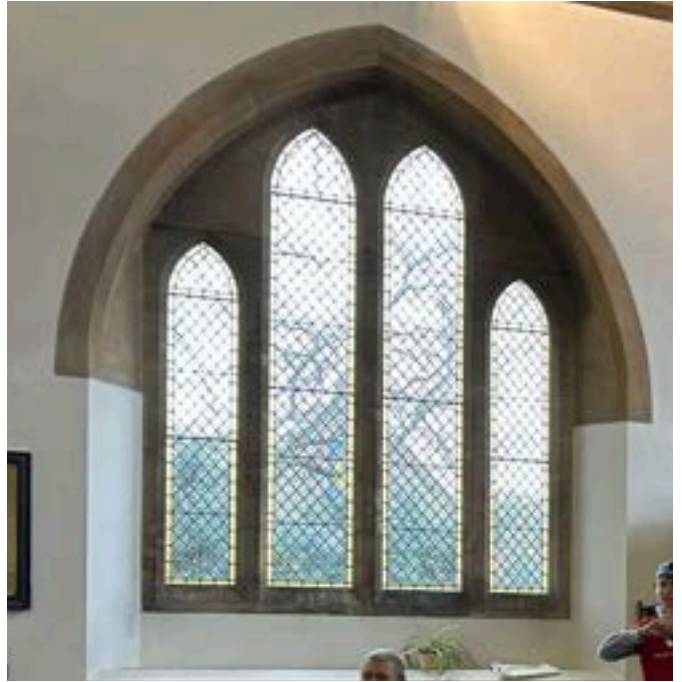

*All Souls Service
of Thanksgiving
and Commemoration*

Christmas Tree Festival 2026

Saturday 21 November – Saturday 5 December

It may seem a little early to be thinking about Christmas, but preparations are already well under way for this year's **Hythe Christmas Tree Festival**, which returns to St John's Church from **Saturday 21 November to Saturday 5 December 2026**.

Once again, we are looking forward to filling the church with a wonderful collection of decorated Christmas trees, provided by local charities, organisations, businesses, societies, families and individuals.

Organised by **Hythe 2000 Charitable Trust in partnership with St John's Church**, the festival is a lovely opportunity to welcome people into our church and bring together the wider Hythe and Waterside community. It also raises valuable funds for both Hythe 2000 and St John's.

One of the joys of the festival is seeing the imagination that goes into each tree. Participants choose their own theme, so the displays can be traditional, artistic, humorous or thought-provoking, while many organisations use their tree to tell visitors something about their work in our local community.

Visitors will once again be able to bid for their favourite trees in our **silent auction**. When the festival finishes, the highest bidders will be contacted and can take their trees home to enjoy for Christmas.

We are also planning something special for our younger visitors this year, with **Santa's Grotto** taking place during the festival. More details about this will follow nearer the time.

Do you have a Christmas tree hiding in the attic?

We would particularly like to hear from anyone who has an **artificial Christmas tree or Christmas decorations tucked away in a loft, attic or garage that are no longer being used**.

We would love to give these pre-loved trees and decorations a new lease of life by passing them on to local organisations and community groups that would like to participate in the festival but do not have a tree or decorations of their own.

So, before you have that autumn clear-out, please think of us! Donating an unwanted tree or decorations is a simple way of helping another local organisation take part, while also reusing something that might otherwise be thrown away.

If you have a tree or decorations that you would be happy to donate, please email ctf@hythe2000.org.

Would you like to enter a tree?

There is still time to join in. We welcome entries from local organisations, charities, businesses, societies, families, groups of friends and individuals. Your tree can represent a cause or organisation, tell a story, make people smile or simply celebrate Christmas.

And, of course, even if you are not entering a tree, **please come along and visit the festival**. Bring your family and friends, enjoy the displays, choose your favourites and help us make the 2026 Christmas Tree Festival another wonderful community occasion.

We look forward to welcoming everyone to **St John's Church from Saturday 21 November to Saturday 5 December**.

Welcomers/sides people needed

Hi everyone St John's Church are in need of individuals who would be willing to help out at our Services. We are looking for people who would like to welcome on entrance to our services or anyone who would be willing to be a sidesperson. If you are interested please come and see us at any of the services or contact the office. Your help would be greatly appreciated by all at St John's.

God Bless

Craig Fowkes Church Warden

WPCN Patient Champions

Patient Champions work with patients from GP practices across the Waterside Primary Care Network. (PCN) and provide a range of activities to support people in the community include a coffee session at St John's hall every last Thursday of the month from 11:30 to 13:30. There is no charge for the session or for the cakes and bread provided by the Waterside Food Project. The group's activities include book groups in Hythe and Marchwood, walking groups, a photography group and one to support people in an ever changing digital world.

Pumpkin Carving

by Chris McMahon
Children & Families Pastor

I had never tried pumpkin carving/decorating myself either with my children or any others until last year.

But since we as a church have been either running light parties or in more recent years been involved in the Hythe Halloween Treat Trail, where 100's of children and their families come into the village.

We hand out 'Bags of Hope' and offer a hot chocolate drinks -

showing our presence, fellowship and witness in the village.

My thoughts turned to how we can enjoy this autumn activity.

So Youth club made christian themed lanterns to decorate outside the church, and this year I will also be sharing a pumpkin prayer booklet with the younger children at Bubble Church & Toddlewinks.

'Why dont you have a go?'

Jesus Sends Out Workers

He told them, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field. Luke 10:2 (NIV)

The puzzle is based on Luke 10:1-11 (NIV).

Putting Faith Into Action to Protect Local Waterways

This Creationtide we are being encouraged to think about God's life-giving water, and to join God's work of renewal and healing of our natural world.

For Alistair McNaught from All Saints in Fawley, that calling has become a practical commitment to protect the rivers and waterways around his local community.

Since April, Alistair has been leading a group of volunteers from the Waterside area, training them to test the quality of local streams and working with them to raise awareness of pollution and to campaign for cleaner water.

The project was established by the Waterside Climate Action Network (WaterCAN), as part of the wider New Forest Water Watch. For Alistair, the project is rooted in his Christian faith.

He said, “Some of my most profound times of communion have been sitting in the presence of flowing water. I have a deep conviction that Christians should be at the forefront of environmental advocacy and action, that we are called to be prophetic people. If ‘the Earth is the Lord’s’ we have no right to treat it disrespectfully.

“Clean water is a right for our children and our wildlife. The work we do gives us the evidence to speak truth to power. It has allowed me to use a wide range of prior skills and experiences to benefit the community, and in turn to be built up and blessed by their passion and support.”

The volunteers currently monitor six streams around Totton, Hythe and Dibden, including waterways running through housing estates, and recreational areas where people walk, paddle and exercise their dogs.

They test for E. coli, nitrates, phosphates, temperature and ammonia, recording the results on a database. Where a result raises concerns, further tests and samples are taken to try to identify the source of the problem. The group can then alert the Environment Agency and put up posters to raise awareness locally of potential pollution.

On one occasion, testing found E. coli levels thirty five times higher than the safe bathing limit, but the volunteers also celebrate clean water too.

Volunteer Mike Smith, said, “I was worried about climate change and the impact on the wider environment, so I think it’s important we check it out. Children play in the stream here, and other streams around the Forest, that we’ve been testing, so I think it’s important that we are more aware of what’s going on in the environment.”

Fellow volunteer Katie Butt added, “I love to test the water and see what is going on in my local area. It feels like I’m doing something useful for everybody – all the kids who want to come and paddle in here when it’s hot, the people who walk here and think it’s okay for their dog to go in. Sometimes, we’re finding out that it’s probably not. Hopefully we’ll be making improvements, making some difference and making it better.”

Alistair has been supported by the wider New Forest Water Watch team and he values the sense of community and shared purpose among a diversity of people he might not otherwise have met.

He said, “It’s part of my desire to protect nature and social justice, to make sure water companies fulfil their legal obligations and to hold them to account,” he said.

“Stewardship is such an important part of it. I want to make sure that whatever part I play, I can give my kids something that is better than it would have been if I hadn’t been here. It’s about gratitude and about not taking these things for granted.”

The project also reflects the way Alistair believes churches can engage with their communities around care for creation. Although this is a community led project, it’s also important to his parish church as it continues to work towards its Silver Eco Church award.

Alistair concluded, “I think it’s important for churches to be informed, to be inspired or indignant, or both. We need to be able to look outwards and say nature is not a tag-on. Nature is the core resource God has given us for our wellbeing, and so we need to look after it well. We need to be informed and informing people that this matters. I want to feel like I’m doing something tangible to make a difference.”

Hythe Halloween Treat Trail 2026

On Saturday
31st October 3-6pm

We will be having a table at the front doors of
the church again this year
handing our 'Bags of Hope' to the children
and offering adults a hot chocolate

Could you help in any of the following ways?

- - Stuffing our bags with our publicity and a treat for the children beforehand.
- Helping to set up, table, lights etc before the start.
- - Join a rota for the afternoon to help hand out bags and make hot chocolate, and be the smiley friendly face of the Parish Church.
